

## Clive Alcock Biography – NLP Corporate

Clive Alcock is the Founding Director of NLP Corporate, an expert consulting firm established in 2004, specialising in the provision of high quality applications of Neuro-Linguistic Programming (NLP) that can significantly improve your human and business performance – delivering results with integrity.

Clive has extensive training in NLP began in the mid 1980's and since that time has included studies with many of the world's leading trainers and service providers in the field. This, combined with over 25 years of senior level experience in change across large corporate enterprises, enables Clive to offer a range of highly effective, NLP-based business consulting services and solutions for clients.

An overview of Clive's professional consulting and management experience is provided below:

### **THE CHANGEWORKS CONSULTING GROUP (2004 - Present)**

Positions included: Founding Owner & Director; Change Leader; Organisation Development Specialist; Change Management Lead; Principal Consultant. *(NB: Previously NLP Corporate Pty Ltd.)*

### **DELOITTE CONSULTING LLC (1997 - 2003)**

Positions included: People Management Director; CRM Project Director; Senior Manager Change Leadership; Organisation Performance Manager; Deloitte International Trainer.

### **PARKE DAVIS / WARNER LAMBERT (1991 - 1996)**
